

# PALOMA TOLEDO SIMES

## STUDENT

---

### ABOUT ME

I am a senior in high school. I consider myself a hard-working person and a quick learner. I like to improve myself and have a competitive attitude, so I usually strive to be the best in the class.

I'm quite extroverted and have a fairly strong personality. I like everything organized and keeping order in what I do. I am quite creative and often find a solution to everything.

---
